

Mosaic chamber choir: singers required (S,A,T and B)

Mosaic is a small, high quality, *a cappella* chamber choir looking to expand its numbers from around 10 to around 16 singers.

Established over 15 years, now under the leadership of Richard Jeffcoat, we have a varied repertoire from early music to modern day, sacred and secular, and are willing to try challenging pieces. We like our rehearsals to be fast paced and have a high standard of sight singing. We relax by going for a drink afterwards.

Mosaic normally sings up to four concerts per year and additional functions as they arise. We rehearse on a Thursday evening, 7:00 – 9:00, in the weeks leading up to a concert.
